Happy 2018-2019 School Year -

For those of you returning to Pulaski, welcome back and for those of you new to our school community, we are excited to have you!

*Friends of Pulaski* is a group of parents focused on volunteering and dedicated to raising funds that directly support high-quality educational programming for all Pulaski students. Since our inception in 2009, *Friends of Pulaski* has **raised more than \$560,000** which has supported ongoing school operating needs and capital projects including the purchase of 400 Chromebooks, iPads, HD document cameras, flat panel displays, gymnasium wall pads, whiteboards, an outdoor classroom, playground benches, and band uniforms...just to name a few!

On the back of this letter, please find our **Events Calendar** for this school year. We are hopeful you will save the date for many of these fun events. Each event is an opportunity to meet others in our school community as well as raise vital funds for our students' educational experience.

If you have any questions, concerns, or ideas throughout the school year, please do not hesitate to **contact any of us**:

Jamie Ayers, President - [jamie@friendsofpulaski.org](mailto:jamie@friendsofpulaski.org)  
Leanne Sardiga, Treasurer - [leanne@friendsofpulaski.org](mailto:leanne@friendsofpulaski.org)
