

Opportunities to Support Our School · 2024-2025

**Happy Children.
Great Teachers.
Proud Families.
Thriving Community.**

[Pulaski International School of Chicago](https://www.pulaski.org/) is a beacon of excellence and source of pride in our community. We are a Level 1+ Pre-K – 8th grade public school that makes a world-class International Baccalaureate (IB) curriculum accessible to all families, right here in the Bucktown neighborhood of Chicago. Committed to advancing equity, Pulaski is home to one of only three gifted centers in Chicago Public Schools for students who are native Spanish speakers.

Within the walls of Pulaski and extending into the neighborhood, you'll find a culture of collaboration and reflection, intellectual rigor, civic consciousness and holistic growth, all in pursuit of developing innovative global citizens.

Funding is limited for neighborhood public schools and providing a top-notch education can be costly, but the additional investment is worth it. Investments in children's education pay dividends in the long-term, empowering the next generation of leaders, reducing downstream costs, and bolstering the community. As a high-quality neighborhood school, Pulaski serves as a community anchor, keeping families here and attracting new families to the neighborhood.

Every dollar raised enables Pulaski to provide the best possible learning environment for students and to improve the school facilities and surroundings – a source of pride for the neighborhood, and space for building lifelong friendships and community.

"Students that feel loved & cared for thrive. Your donations help achieve that. Your donations can help fund science supplies, enhance outdoor play spaces, fund interventionists to narrow achievement gaps, replace books that have been loved a little too much- these and much more help a child achieve success."

– Mrs. M., teacher

"Having a community that all attends public school in the city is rare. Pulaski's community, teachers and families are special and we are proud to be a part of it."

–John C., parent

"We no longer have to wait for a staff member to throw our soccer balls back in thanks to the new nets around the field! Recess is so fun and now we get to enjoy every minute!"

– 2nd grade student

Thank you for considering a sponsorship to support our school.
